**\*Custom Power Bank Example**

**USB Drive**

**Power Bank**

**Mini Speaker**

**Wall Charger**

Our custom USBs are made using flexible PVC material that can reproduce virtually anything that you have in mind. Available in all memory sizes for a truly unique item.

Create a promo tool in your own image with the custom X400 Power Bank! With a fun, unique shape, it will keep the user productive throughout the day via use of the included micro USB input cord.

**with built in selfie button**  
Not your normal Bluetooth speaker, this little guy doubles as a camera selfie button, great for hands-free selfies. Place speaker-phone calls via the built in microphone!

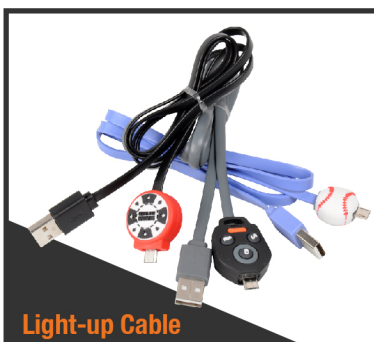

Recharge your USB cable compatible devices in style. This small, single port wall charger is easy to toss in a backpack or purse, allowing you to charge your devices when you're on-the-move.

**3D Tri-Cable**

**Cord Wrap**

**Light-up Cable**

**Phone Grip**

Use the custom multi-prong cable to charge and connect multiple devices at once. No more searching for matching cables to plug in your various devices. Simplify your life with one device.

Constantly finding your cables and headphones in a tangle? The custom Cord Keeper is your answer, with style to boot. Simply wrap it around your cords, snap closed and no more tangled mess.

Looking for a little extra pizzazz? We've got you covered with the custom Light-Up Cable. What better way to keep track of your mobile device when you wake up groggy. The Light-Up Cable leads the way.

Custom, multi-function, and the best brand real estate on the market! Mobile phone accessories are the hottest promo out there. With the custom Phone Grip, you've got a holder and stand in one, with a great look!
